Addenda and Query Responses

Revision	Date	Status	Prepared by	Checked by
P02	2027-04-18	Issued for Practice	Club Team	Club Manager

This document is part of a fictional club pack. Read it with the other two documents and all issued addenda.

This is a simple reading and RAG exercise, not real animal-care advice. The club, people, rules and amounts are made up.

Introduction

This document contains all changes issued so far. Parts A and B are binding numbered addenda. Part C contains informational query responses only. Part D records acknowledgement. Part E records visits. This P02 issue includes the earlier P01 content.

A later numbered addendum wins over an earlier one. An addendum changes only the topics and clauses it names. All other rules remain unchanged. Follow Document 01 Section 2.

Issue	Date	Contents
P01	10 April 2027	Addendum No. 1; Q-01 and Q-02
P02	18 April 2027	Addendum No. 2; Q-03 to Q-05

Part A - Addendum No. 1

Issued 10 April 2027 by the Club Manager.

Item 1.1 - Maximum dogs

Change the maximum number of dogs in Dog Room D-01 to 5. This replaces the maximum of 6 in Document 01 Sections 4.1 and 8 and the maximum of 8 in Document 02 Section 2.1. Bed and bowl counts do not change.

Item 1.2 - Dog water bowl capacity

In Document 02 Section 4.1, replace the capacity of each BW-D dog water bowl, 2 ml, with 2 litres. This agrees with Document 01 Section 5.3 and Section 8. Keep exactly 3 dog water bowls.

Item 1.3 - Second club visit

A second club visit will be held on 19 April 2027 at 10:00. A visit is optional and does not change any setup date.

Part B - Addendum No. 2

Issued 18 April 2027 by the Club Manager.

Item 2.1 - Maximum dogs

Addendum No. 1 Item 1.1 is superseded. The maximum number of dogs in Dog Room D-01 is now 4. This replaces all earlier maximum-dog values in Documents 01 and 02 and Addendum No. 1. Bed and bowl counts do not change.

Item 2.2 - Cat water bowl count

Cat Room C-01 must now have exactly 3 water bowls. This replaces the count of 2 in Document 01 Sections 5.3 and 8 and Document 02 Section 4.1. Each cat bowl still holds 500 ml (0.5 litres).

Item 2.3 - Last day for questions

Change the last day for setup questions in Document 01 Section 3 from 20 April 2027 to 25 April 2027. The setup deadline and club opening date do not change.

Item 2.4 - Items not changed

The gate heights, scratching-post supplier, cleaning frequency, setup task durations and setup checklist are not amended by this addendum. Query responses do not amend them either. Addendum No. 1 Item 1.2 remains in force.

Part C - Queries and responses

These answers are information only. No answer in Part C has been adopted by an addendum. If an answer conflicts with a rule, follow the document order in Document 01 Section 2 and ask for clarification.

Reference: Document 01 Section 1.2 / Document 02 Section 1.2 Question: Are Puppy Room and Dog Room different rooms? Response: No. Both names mean room D-01.

Reference: Document 01 Section 5.3 / Document 02 Section 4.1 Question: Is 0.5 litres different from 500 ml for a cat bowl? Response: No. 0.5 litres and 500 ml are the same capacity.

Q-03 - 16 April 2027

Reference: Document 01 Section 7 / Document 02 Section 5.1 Question: How often should we clean the rooms? Response: Once each day, after closing, is enough.

Q-04 - 17 April 2027

Q-05 - 18 April 2027
