For tendering practice only; not for construction. This is a fictional dogs-and-cats example, not animal-care advice.

1. Introduction

Tiny Paws Club invites a team to prepare one dog room and one cat room.

1.1 Tender documents

No.	Document
01	Instructions to Tenderers
02	Particular Conditions of Contract
03	Employer's Requirements
04	Architectural Specification
05	Mechanical, Electrical and Public Health (MEP) Specification
06	Drawing Register, Drawing Notes and Tender Programme
07	Addenda and Tender Query Responses

1.2 Definitions

Employer means Tiny Paws Club. Contractor means the setup team. Must and shall mean required.

1.3 Level and room naming convention

L00 means Ground Floor. L00-001 is the Dog Room. L00-002 is the Cat Room.

2. Project description

Prepare the two existing rooms for daytime pet visits.

3. Tender procedure and key dates

Event	Date
Setup starts	1 May 2027
Setup complete	15 May 2027

4. The proposed Contract

The Contractor follows Document 02.

4.2 Contract period

Setup runs from 1 May to 15 May 2027.

5. Order of precedence of documents

Rank	Document
1	Numbered addenda in Document 07; later addendum wins
2	Document 02 - Particular Conditions of Contract
3	Document 03 - Employer's Requirements
4	Documents 04 and 05 - Specifications
5	Document 06 - Drawings and drawing notes
6	Tables, if they conflict with written text in the same document
7	Document 01 - Instructions to Tenderers

8. Tender queries and addenda

Only numbered addenda change requirements. A later addendum changes only the items it names. Query responses are information only, unless adopted by an addendum.
