Mechanical, Electrical and Public Health (MEP) Specification

Revision	Date	Status	Prepared by	Checked by
P01	2027-04-01	Issued for Tender	Club Team	Club Manager

For tendering practice only; not for construction. This is a fictional dogs-and-cats example, not animal-care advice.

1. General

1.1 Scope

This specification covers water bowls and room ventilation.

4. Public health

Supply one water bowl for each room. Each bowl holds 500 ml.

6. Ventilation

6.2 Design ventilation rates

The table sets the maximum pets allowed and the number of fans to supply.

Space	Maximum pets allowed	Fans
L00-001 Dog Room	8 dogs	1
L00-002 Cat Room	4 cats	1

11. Testing, commissioning and handover

Check that both fans work before handover.
