Tender Reference TPC-2027-T01

Document 03

Employer's Requirements

Revision	Date	Status	Prepared by	Checked by
P01	2027-04-01	Issued for Tender	Club Team	Club Manager

For tendering practice only; not for construction. This is a fictional dogs-and-cats example, not animal-care advice.

1. Purpose and status

This document states what the two rooms must provide.

2. Scope of the Works

The Contractor prepares both rooms and supplies their gates and water bowls.

5. The building

5.6 Doors to escape routes

Cat Room gate D-G02 must be exactly 1,200 mm high, measured from floor to top.

8. Room data sheets

Room	Name	Maximum pets allowed
L00-001	Dog Room	6 dogs
L00-002	Cat Room	4 cats

10. Submittals and review

Submit the room checklist before handover.
